INTRODUCTION

Thank you for purchasing a Kubota! Kubota is the premier manufacturer of compact equipment in the world. As part of our commitment to quality and reliability, Kubota Tractor Corporation provides you comprehensive warranty coverage for your new Kubota.

Please take a few minutes to read this Warranty Information Guide. It contains all the information you will need to have your Kubota repaired in the unlikely event that a failure should occur. Please record the model, serial number, and date of purchase of each item in the space provided inside the back cover.

Note: Warranty coverage may be different for attachments or implements purchased with a tractor.

Warranty Start Date

The warranty coverage begins on the date that your Kubota product is first retailed. This is the **REGISTRATION** date, which is on file with Kubota Tractor Corporation.

What is a Limited Warranty?

Warranty is a written guarantee by the manufacturer or distributor of a product, promising to repair or replace parts which have a defect in materials or workmanship. "Limited" means that the Warranty is for a specified period of time and has certain other restrictions.

***The Kubota Limited Warranty**

Kubota Tractor Corporation will, through its authorized dealers, repair or replace any Genuine Kubota part which is found to be defective in materials or workmanship. The defect must occur during normal use of the product and within the length of warranty coverage. The repair or replacement will be at no charge for either the part or the labor to repair or replace that part. Repairs must be completed using only Genuine Kubota parts, or parts that have been approved by Kubota.

Kubota's Right to Inspect

Kubota Tractor Corporation, or its agents, reserve the right to inspect the customer's Kubota product to determine if a defect in materials or workmanship exists prior to the commencement of any covered repair. It is the customer's responsibility to deliver the product to an authorized Kubota dealer for this inspection unless agreed to, or as required by law.

Location of Warranty Repairs

Repairs covered under the conditions of this Warranty must be performed by an authorized Kubota dealer, within the United States of America. Applicability: This warranty applies only to machines and implements sold, serviced, and operated in the United States of America.

Applicability

This warranty applies only to machines and implements sold, serviced, and operated in the United States of America.

***Limitations**

YOUR KUBOTA LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. KUBOTA TRACTOR CORPORATION (KTC) DOES NOT AUTHORIZE ANY PERSON TO CREATE FOR KTC ANY OBLIGATION OR LIABILITY OTHER THAN THAT STATED IN THE LIMITED WARRANTY. THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE TERM OF THE EXPRESS WRITTEN WARRANTY. UNDER NO CIRCUMSTANCES SHALL KTC BE LIABLE TO THE CUSTOMER OR ANY OTHER PERSON FOR ANY CONSEQUENTIAL, INCIDENTAL, ECONOMIC, DIRECT, INDIRECT, GENERAL, OR SPECIAL DAMAGES ARISING OUT OF ANY BREACH OF WARRANTY, EXPRESS OR IMPLIED. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Customer Responsibility

It is the customer's responsibility to maintain the equipment in accordance with the instructions provided in the Operator's Manual. You may be asked to prove that the maintenance instructions have been followed.

It is also your responsibility to operate the equipment in a safe manner and use it only for the purpose for which it was designed and in the environment for which it was intended. If a defect in materials or workmanship occurs, it is your responsibility to cease operating the equipment until repairs are made. **Damage which occurs from continued operation after a failure may not be covered by this warranty.** You should contact your authorized Kubota dealer immediately so that repairs can be made in a timely manner.

What This Warranty Covers

This warranty covers defects in materials or workmanship of Genuine Kubota parts only. Certain accessories are sold by Kubota but are covered under the original manufacturer's warranty. These include, but are not limited to: SuperWinch, REI Radio, Jensen Products, Camso Tracks, Etc.

What This Warranty Does NOT Cover

This Warranty Does NOT Cover Failures Caused By:

- Abusive operation
- Natural calamities
- Modifications of the equipment
- Improper repairs
- Use of non-Genuine Kubota parts
- Neglected maintenance/incorrect operation (specified in Operator's Manual)
- Unapproved attachments
- Usage which is contrary to the intended purpose

Statement Regarding Use of Improper or Contaminated Lubricants, Fuel, and Coolant

Your Kubota equipment has been engineered for use with specific types of lubricants, fuel, and coolant to maintain proper performance of the equipment and prevent equipment failures. The Kubota Limited Warranty does not cover failures which are caused by the use of improper, incorrect, or contaminated fluids, including but not limited to: lubricants such as engine oil, fuels such as diesel fuel, coolants such as engine coolant/antifreeze, and other vehicle fluids or lubricants. For information regarding which lubricants, fuel, and coolants are correct for your Kubota equipment and additional maintenance information for your Kubota product, please see the maintenance section of the operator's manual for your specific model, contact your local Kubota dealer, or view our Kubota Technical Service Support information at <https://www.kubotausa.com/service-support>.

***This Warranty does NOT cover replacement of Wear or Maintenance items (unless defective) including, but not limited to:**

- Clutch and brake discs/linings
- Filters
- Light bulbs, including LED bulbs
- Window glass
- Lubricants, coolants, and fluids (unless used during an authorized repair)
- Belts
- Cutting blades, knives, or tines
- Cutting blade or knife holders
- Bucket teeth, bucket teeth holders, and bucket cutting edges
- Injector nozzles
- Spark plugs
- Tires and tracks
- Crawler Track Drive Sprockets

This Warranty does NOT cover:

- Transportation, such as pickup or delivery, of the equipment*
- Rental of replacement equipment during the repair period
 - Rental assistance may be available under certain limited circumstances but is not guaranteed. Please contact your Kubota dealer for rental information.
- Products which have been declared a total loss and subsequently salvaged
- Overtime labor charges
- Service calls, travel time or mileage*
 - Mileage assistance may be available under certain limited circumstances but is not guaranteed. Please contact your Kubota dealer for mileage assistance information.
- Repairs performed by Non-U.S. Kubota Dealers
- Freight and handling charges for service parts*

*Unless agreed to, or as required by law

Obtaining Warranty Services

How to Obtain Warranty Service

To obtain warranty service under the terms and conditions of the Kubota Limited Warranty, you must deliver the product to an authorized Kubota dealer, along with proof of purchase. **Kubota recommends that you take your equipment to the dealer from whom it was purchased for the warranty repair.** If that is inconvenient, it may be taken to any authorized Kubota dealer.

In cases for which it is inconvenient to deliver the equipment to the dealer, the warranty repairs may be made by the dealer at the customer's location. **However, please note that the dealer may charge for pickup & delivery, travel time and related expenses, and/or mileage. These charges are not covered under the Kubota Limited Warranty and are the customer's responsibility, unless agreed to or as required by law.**

Transferability

If you decide to sell your Kubota, any remaining warranty coverage may be transferred to the new owner. Contact your Kubota dealer for details.

Right to Make Changes

Kubota reserves the right to make any changes to a Kubota product at any time without incurring any obligation with respect to any product previously ordered, sold, or shipped.

Length of Coverage

*Length of Warranty Coverage

The length of warranty coverage is not the same for all models. Some models have a specified time period only (6 months, one year, etc.) while others have both a specified time as well as an hourmeter limitation. In the latter case, the limitation first occurring (date or hours) determines whether or not a product is within the warranty period.

Some models may have two or more levels of warranty coverage listed in the coverage table:

BASIC STANDARD LIMITED warranty covers the entire unit, except as described in the section “**What This Warranty Does NOT Cover**”, as well as the battery (see Battery Warranty below), rubber crawler tracks (see coverage table for rubber track coverage terms), and other implements or attachments as noted in the below coverage tables under “Exclusion/Comment”, which may have a separate coverage term listed.

POWERTRAIN or CUTTERBAR and GEARBOX warranty covers only the components as specified in this guide. Powertrain and Cutterbar and Gearbox warranty do not apply to all models.

Powertrain coverage includes the following components:

- Transmission/HST case(s)/housing(s)
 - All transmission case sections for models with multiple sections
 - Transmission Case
 - Mid Case
 - Clutch Housing
 - Shafts, Bearings, and Gears contained within the case/housing
 - Seals mounted in the case/housing
- Transmission/HST valves and pumps associated with driveline operations
 - Shuttle Shift Valves
 - PTO Clutch Valves
 - Hydraulic pumps which are used in driveline operations
- PTO Case
 - PTO Output Shaft
 - Shafts, Bearings and Gears contained within the PTO case/housing
 - Seals mounted in the PTO case/housing
- Front and rear axle case/housing, Bevel gear case/housing
 - Shafts, Bearings, and Gears contained within
 - Seals mounted in the housing
- Engine metals and seals contained within the engine crankcase, engine cylinder head, and engine gear case
 - Crankcase, Crankshaft, and Crankshaft Bearings
 - Pistons, Connecting Rods, and Bearings

- Camshaft, Idle Gear Shafts, Balance Shaft
- Gears contained within the Engine Gear Case
- Cylinder Head
- Engine Intake and Exhaust Valves and Valve Train Components
- Engine Oil Pumps contained within the Engine Gear Case
- Cylinder Head Gasket
- Engine Crankshaft Oil Seals

Powertrain coverage does **NOT** include the following components:

- Steering components
 - Power steering pumps and valves
 - Steering cylinders, rods, hoses
 - Steering linkage components and joints
- Transmission Linkage components which are not fully contained within the transmission or axle housing.
 - Differential, Clutch, Speed Change, etc.
- Brake Components which are not fully contained within the axle/transmission cases/housings
 - Master Cylinder
 - Brake Lines or Hoses
- Rims or Tires
- Drive shafts and joints not fully contained within the axle/transmission cases/housings
- Hydraulic Components (except hydraulic pumps as defined above)
 - 3 Pt Hitch Lift Cylinder Case
 - 3 Pt Hitch Lift Cylinder Components
 - 3 Pt Hitch Lift Valve
 - Auxiliary or Remote Valves
 - Loader or other implement control valves
- Cooling system components
 - Radiator and other fluid coolers
 - Thermostat and Thermostat housing
 - Water/coolant pumps
 - Cooling system hoses and piping
- Fuel system components
 - Common rail supply pump
 - Mechanical diesel injection pump
 - Fuel injectors
 - Low pressure fuel pumps
 - Fuel lines or hoses
- Electrical system components
 - Controllers
 - Wiring Harnesses

- Sensors
- Any components covered by emissions coverage
 - Some components listed as “Not Covered by Powertrain Coverage” may be covered by Emissions warranty coverage. Please see the applicable Emissions warranty coverage for your Kubota equipment for Emissions warranty details.

Cutterbar and Gearbox Components

The cutterbar assembly, and components contained within, and the gearbox assembly, and components contained within.

Cutterbar and Gearbox coverage does not include cutting knives or cutting knife holders

Battery Warranty:

The original battery supplied with the product has a 12 (twelve) month, non-prorated warranty.

Length of Warranty for Service Parts

Service parts are warranted for the amount of time specified in the coverage table “Replacement Engine and Parts” from the date of purchase. If the part is installed on a unit which has more remaining applicable warranty than the time specified for the service part, the part is warranted for that remaining applicable warranty. If the part was installed by an authorized Kubota dealer, the labor to replace that part is also included in the warranty coverage.

Resolving Warranty Concerns

Normally, warranty concerns can be resolved by your dealer’s Service Dept. If the problem is not resolved to your satisfaction, you may want to speak with either the owner or general manager of the dealership. You may also contact the Kubota office in your region for assistance. The addresses, and the areas of coverage of each region are shown on the back cover. Before writing, please have the following information ready:

1. Your name, address, and phone
2. Model and Serial Number
3. Date of purchase
4. Hourmeter reading (or estimated hours)
5. Detailed description of the problem

KUBOTA LIMITED EMISSIONS WARRANTY

Limitations

YOUR KUBOTA LIMITED EMISSIONS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. KUBOTA TRACTOR CORPORATION (KTC) DOES NOT AUTHORIZE ANY PERSON TO CREATE FOR KTC ANY OBLIGATION OR LIABILITY OTHER THAN THAT STATED IN THE LIMITED WARRANTY. THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE TERM OF THE EXPRESS WRITTEN WARRANTY. UNDER NO CIRCUMSTANCES SHALL KTC BE LIABLE TO THE CUSTOMER OR ANY OTHER PERSON FOR ANY CONSEQUENTIAL, INCIDENTAL, ECONOMIC, DIRECT, INDIRECT, GENERAL, OR SPECIAL DAMAGES ARISING OUT OF ANY BREACH OF WARRANTY, EXPRESS OR IMPLIED. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Tables of Coverages

Compact and Utility Tractors

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
BX, B, LX, and L Tractors	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Does not include any implement, loader/landscaper utility tractors, or BX Utility combos
		Limited Powertrain	72 Months or 2000 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	
		Limited Powertrain	36 Months or 2000 Hours (whichever occurs first)	
Loader/Landscaper Utility Tractors (TLB)	All Usage	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
BX Utility Combos (BX23S , BX24, BX25)	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	72 Months or 2000 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	
MX Tractors	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	72 Months or 3000 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	
M Series Tractors	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	PowerKrawler tracks – 12 months or 1000 hours (whichever occurs first).
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)

Large Agricultural Tractors

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
MH Series Tractors (M7)	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	
MR Series Tractors (M8)	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	

Hay Tools and Implements

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
Implements	All Usage	Basic Standard Limited	24 Months	Does not include Hay Tools (See Hay Tool warranty)
Disc Mower/Conditioners	All Usage	Basic Standard Limited	24 Months	
		Cutterbar and Gearbox	36 Months	
Spreaders	All Usage	Basic Standard Limited	24 Months	
Balers	All Usage	Basic Standard Limited	24 Months or 15,000 Bales (whichever occurs first)	
Hay Tools Not Otherwise Listed	All Usage	Basic Standard Limited	24 Months	Except Disc Mower/Conditioner, Balers, and Spreaders

Utility Vehicle and Turf Products

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
RTV Utility Vehicles	All Usage	Basic Standard Limited	24 Months or 1000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
Z100, ZG100, Z200, and T Series Mowers	All Usage	Basic Standard Limited	48 Months or 300 Hours (whichever occurs first)	Includes mower deck Kawasaki engine warranty administered by Kawasaki. Refer to Kawasaki warranty for detail
Z400 Series Mowers	Non-Commercial Home & Residential Use	Basic Standard Limited	48 Months or 500 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months	
Z700 Series Mowers	Non-Commercial Home & Residential Use	Basic Standard Limited	48 Months or 750 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months	
Z, ZG, ZD, and F Series Mowers Not Otherwise Listed	All Usage	Basic Standard Limited	24 Months	Includes mower deck; Except Z100, ZG100, Z200, Z400, Z700
SZ and W Series Mowers	All Usage	Basic Standard Limited	24 Months	
G, GR Series	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Includes mower deck
	Commercial Use	Basic Standard Limited	12 Months or 1500 Hours (whichever occurs first)	

Construction Equipment

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
SVL Compact Track Loaders	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Rubber Tracks 12 Months or 1000 Hours (whichever occurs first)
SCL Compact Utility Loaders	All Usage	Basic Standard Limited	12 Months or 1500 Hours (whichever occurs first)	Rubber Tracks 12 Months or 1000 Hours (whichever occurs first)
K, KX, U, and R Series	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Rubber Tracks 12 Months or 1000 Hours (whichever occurs first)
SSV Skidsteer Loaders	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	

Replacement Engine and Parts

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
Replacement Diesel Engines	All Usage	Basic Standard Limited	12 Months from purchase date	Or the remainder of applicable warranty, whichever is longer
Replacement Parts (Except listed wear items)	All Usage	Basic Standard Limited	6 Months from purchase date	Or the remainder of applicable warranty, whichever is longer
Replacement Wear Items	All Usage	Basic Standard Limited	90 Days from purchase date or 20 hours of use (whichever occurs first)	See Page 3 for List of Wear Items

Kubota Tractor Corporation

Federal California Emission Control Systems Limited Warranty for Non-Road Engines (Compression Ignition or CI)

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Corporation (KUBOTA) are pleased to explain the Federal and California Emission

Control System Warranty on your non-road engine. In California, new 2025 model year heavy duty off-road engines must be designed, built and equipped to meet California's stringent anti-smog standards adopted by the Air Resources Board pursuant to its authority in Chapter 1 and 2, Part 5, Division 26 of the California Health and Safety Code. In other states of the U.S.A., new non-road engines subject to the provisions of 40 CFR 1039 subpart A must be designed, built and equipped, at the time of sale, to meet the U.S. EPA regulations.

KUBOTA must warrant the emission control system on your Compression Ignition engine for the period of time listed below provided there has been no abuse, vandalism, neglect, improper maintenance or unapproved modifications to your engine.

This emission warranty is applicable in all states of the U.S.A., its territories regardless of whether an individual state, province, or territory has enacted warranty provisions that differ from the Federal warranty provisions.

Your emission control system may include parts such as the fuel injection system and the air induction system. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis (if the diagnostic work is performed at an authorized dealer), parts and labor.

EMISSION DESIGN AND DEFECT WARRANTY COVERAGE

The emissions warranty period for the engine begins on the original date of sale to the initial purchaser and continues for each subsequent purchaser for the period mentioned below.

If any emission related part on your engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

Coverage Periods

1. For non-road, Compression Ignition engines

The emissions warranty period for all engines rated under 19kW (~25 HP) is 2000 hours of operation or two (2) years of use, whichever first occurs.

The emissions warranty period for constant speed engines rated under 37kW (50HP) with rated speeds greater than or equal to 3000 rpm is 2000 hours of operation or two (2) years of use, whichever occurs first.

The emissions warranty period for all other engines not already listed is 3000 hours of operation or five (5) years of use, whichever first occurs.

If any emission related part on your engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

OWNER'S WARRANTY RESPONSIBILITIES

- As the engine owner, you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all receipts covering maintenance on your engine, but KUBOTA cannot deny a warranty claim solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.
- As the engine owner, you should be aware, however, that KUBOTA may deny your warranty coverage if your engine or a part has failed due to abuse, vandalism, neglect, improper maintenance or unapproved modifications.
- Your engine is designed to operate on Ultra Low Sulfur Diesel Fuel only. Use of any other fuel may result in your engine no longer operating in compliance with Federal or California's emissions requirements. For specific information on the use of BioDiesel, please see your equipment's Operator's Manual or visit <https://www.kubotaengine.com/parts-service/service-support/resources/>
- You are responsible for presenting your engine to the nearest KUBOTA dealer when a problem exists (unless agreed, or as required by law). The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.
- If you have any questions regarding your warranty rights and responsibilities or the location of the nearest authorized dealer, you should contact:

Kubota Tractor Corporation

National Service Department at 1-800-558-2682, KubotaEmissionsWarranty@kubota.com

DEFECTS WARRANTY COVERAGE

KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine will be designed, built and equipped, at the time of sale, to meet all applicable regulations. KUBOTA also warrants to the initial purchaser and each subsequent purchaser that your engine shall be free from defects in materials and workmanship which cause the engine to fail to conform to applicable regulations for the period mentioned above from the original date of sale.

KUBOTA shall remedy warranty defects at any authorized KUBOTA engine dealer or warranty station. Any authorized work done at an authorized dealer or warranty station shall be free of charge to the owner if such work determines that a warranted part is defective. Any KUBOTA approved or equivalent replacement part (including any KUBOTA approved aftermarket part) may be used for any warranty maintenance or repairs on emission related parts and must be provided free of charge to the owner if the part is still under warranty.

KUBOTA is liable for damages to other engine components caused by the failure of a warranted part still under warranty. The use of replacement parts not equivalent to the original parts may impair the effectiveness of your engine emission control system. If such a replacement part is used in the repair or maintenance of your engine, and KUBOTA determines it is defective or causes a failure of a warranted part, your claim for repair of your engine may be denied.

Listed below are the parts covered by the Federal and California Emission Control Systems Warranty. Some parts listed below may require scheduled maintenance and are warranted up to the first scheduled replacement point for that part. The warranted parts are (if applicable):

- 1. Air-Induction System**
 - a. Intake Manifold
 - b. Turbocharger System
 - c. Charge Air Cooling System (Intercooler)

- 2. Catalyst or Thermal Reactor System**
 - a. Catalytic converter
 - b. Exhaust manifold

- 3. Fuel Injection System**
 - a. Fuel Supply Pump (Common Rail System)
 - b. Injector
 - c. Injection Pipe
 - d. Common Rail
 - e. Smoke Puff Limiter
 - f. Speed Timer
 - g. Cold Advance Timer
 - h. Injection Pump

4. Electronic Control System

- a. ECU
- b. Engine Speed / Timing Sensor
- c. Accelerator Position Sensor
- d. Coolant Temperature Sensor
- e. Atmospheric Pressure Sensor
- f. Intake Pressure Sensor
- g. Intake Manifold Temperature Sensor
- h. Intake Air Flow Sensor
- i. Common Rail Pressure Sensor

5. Exhaust Gas Recirculation System

- a. EGR Valve
- b. EGR Cooler
- c. EGR Valve Opening Rate Sensor

6. Particulate Controls

- a. Any device used to capture particulate emissions.
- b. Any device used in the regeneration of the particulate control device. Control Device Enclosures and Manifolding
- c. Diesel Particulate Filter Temperature Sensor
- d. Differential Pressure Sensor

7. Advanced Oxides of Nitrogen (NOx) Controls

- a. Selective Catalytic Reduction (SCR) Catalyst
- b. Reductant (urea) Containers
- c. Dispensing Systems
- d. NOx Sensor
- e. SCR Temperature Sensor
- f. Any Sensor for Diesel Exhaust Fluid

8. Miscellaneous Items used in above systems

- a. Closed Breather System
- b. Hoses*, Clamps*, Fittings, Tubing*
- c. Gaskets*, Seals*
- d. Kubota supplied engine Wiring Harnesses*
- e. Kubota supplied engine Elec. Connectors*
- f. Air Cleaner Element*, Fuel Filter Element*
- g. Emission Control Information Labels

*Warranty period is equivalent to manufacturer's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual. Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis, parts and labor.

**Large Spark Ignition Above 1 Liter
Kubota Tractor Corporation
Federal & California Emission Control Systems Limited Warranty for
Federal Large Non-Road Spark Ignition and
California Off-Road Large Spark Ignition Engines (LSI)**

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Tractor Corporation (Kubota) are pleased to explain the Federal and California Emission Control System Warranty on your engine. In California, new Off-Road Large SI (Spark-Ignition) engines produced in 2025 model year must be designed, built and equipped to meet the California's stringent anti-smog standards. In other states, 2012 and later model year SI engines must be designed, built and equipped, to meet the U.S. EPA regulations for Large Non-Road SI engines. KUBOTA must warrant the emission control system on your Off-Road Large SI engine for the period of time listed below provided there has been no abuse, neglect, or improper maintenance to your engine.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors and other emission-related assemblies.

MANUFACTURER'S WARRANTY COVERAGE

For emissions-related parts, the 2025 Off-Road Large SI engines are warranted for 2500 hours of operation or three (3) years of use, whichever first occurs.(see list below) For high-priced emission-related parts, the 2025 Off-Road Large SI engines are warranted for 3500 hours of operation or five (5) years of use, whichever first occurs. (see list below) If any emission related part on your engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

OWNER'S WARRANTY RESPONSIBILITIES

- As the off-road LSI engine owner, you are responsible for the performance of the required maintenance listed in your owner's manual. KUBOTA recommends that you retain all receipts covering maintenance on your off-road engine, but KUBOTA cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

- As the off-road large spark-ignition engine owner, you should however be aware that KUBOTA may deny you warranty coverage if your off-road large spark ignition engine or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

- Your engine is designed to operate on gasoline, LPG, or natural gas only. Use of any other fuel may result in your engine no longer operating in compliance with California's emissions requirements.

- You are responsible for initiating the warranty process. The ARB suggests that you present your off-road large spark-ignition engine to a KUBOTA dealer as soon as a problem exists. The warranty repairs should be completed by the dealer as expeditiously as possible.

If you have any questions regarding your warranty rights and responsibilities, you should contact:

Kubota Tractor Corporation, National Service Department at 1-800-558-2682,
KubotaEmissionsWarranty@kubota.com

DEFECTS WARRANTY COVERAGE

The emissions warranty period for the engine begins on the date the engine or equipment is delivered to an initial purchaser. KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine shall be:

- I. Designed, built and equipped so as to conform with all applicable regulations adopted by the Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code.
- II. Free from defects in materials and workmanship that cause the failure of a warranted part for 2500 hours of operation or three (3) years of use, whichever first occurs for emissions-related parts, and for 3500 hours of operation or five (5) years of use, whichever first occurs for high-priced emission-related parts. For evaporative emission related parts, the 2025 Non Road Large SI engines are warranted for two (2) years.

The warranty on emissions-related parts will be interpreted as follows:

1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the warranty period as defined above in (II). If any such part fails during the period of warranty coverage, it must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.
2. Any warranted part that is scheduled only for regular inspection in the written instructions specified below must be warranted for the warranty period defined as above in (II). A statement in such written instructions to the effect of "repair or replace as necessary" will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.
3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
4. Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at a warranty station.
5. Notwithstanding the provisions of Subsection (4) above, warranty services or repairs must be provided at all KUBOTA Dealers that are authorized to service the subject engines.
6. The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.

7. KUBOTA is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.
8. Throughout the engine's warranty period defined as above in (II), KUBOTA must maintain a supply of warranted parts sufficient to meet the expected demand for such parts.
9. Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of KUBOTA.
10. Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. KUBOTA will not be liable under this article to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

EMISSIONS-RELATED PARTS LIST

KUBOTA must include a copy of the following emission warranty parts list with each new engine. Listed below are the parts covered by the Federal and California Emission Control Systems Warranty.

1) Fuel Metering System

- a) Fuel injection system
- b) Air/fuel ratio feedback and control system.
- c) Carburetor system (internal parts and/or pressure regulator** or fuel mixer or injection system)

2) Air Induction System

- a) Intake manifold or air intake system
- b) Air mass sensor assembly
- c) Air cleaner element*

3) Catalyst or Thermal Reactor System

- a) Catalytic converter**
- b) Thermal reactor
- c) Exhaust manifold

4) Positive Crankcase Ventilation (PCV) System

- a) PCV Valve
- b) Oil Filler Cap

5) Ignition Control System

- a) Engine Control Module (ECM)**
- b) Ignition module(s)

6) Miscellaneous Items Used in Above Systems

- a) Vacuum, temperature, and time sensitive valves and switches
- b) Sensors used for electronic controls
- c) Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
- d) Pulleys, belts and idlers

7) Evaporative System

- a) Fuel tank
- b) Fuel cap
- c) Fuel line
- d) Fuel line fittings
- e) Clamps (if equipped)
- f) Pressure relief valves (if equipped)
- g) Control valves (if equipped)
- h) Control solenoids (if equipped)
- i) Electronic controls (if equipped)
- j) Vacuum control diaphragms (if equipped)
- k) Control cables (if equipped)
- l) Control linkages (if equipped)
- m) Purge valves (if equipped)
- n) Vapor hoses (if equipped)
- o) Liquid / Vapor separator (if equipped)
- p) Canister (if equipped)
- q) Canister mounting bracket (if equipped)
- r) Carburetor purge port bracket (if equipped)
- s) Fuel pressure Manifold (if equipped)
- t) Fuel pressure Regulator (if equipped)

*Warranty period is equivalent to KUBOTA's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual.

** High-priced emissions-related warranty parts.

**Large Spark Ignition Less Than 1 Liter
Kubota Tractor Corporation
Federal & California Emission Control Systems Limited Warranty for
Federal Non-Road Spark Ignition Engines and
California Off-Road Large Spark Ignition Engines (LSI)**

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Tractor Corporation are pleased to explain the Federal and California Emission Control System Warranty on your engine. In California, new Off-Road Large SI (Spark-Ignition) engines produced in 2025 model year must be designed, built and equipped to meet the California's stringent anti-smog standards. In other states, 1997 and later model year SI engines must be designed, built and equipped, to meet the U.S. EPA regulations for Small Off-Road engines. KUBOTA must warrant the emission control system on your Off-Road Large SI engine for the period of time listed below provided there has been no abuse, neglect, or improper maintenance to your equipment leading to the failure of the emission control system. This emission warranty is applicable in all states of the U.S.A.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis, parts, and labor.

MANUFACTURER'S WARRANTY COVERAGE

For emissions-related parts, the 2025 Off-Road Large SI engines are warranted for two (2) years.

For evaporative emission related parts, the 2025 Non Road Large SI engines are warranted for two (2) years. (See list below)

If any emission related part on your engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

OWNER'S WARRANTY RESPONSIBILITIES

- A. As the engine owner, you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all receipts covering maintenance on your off-road engine, but KUBOTA cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.
- B. As the engine owner, you should be aware, however, that KUBOTA may deny your warranty coverage if your engine or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

- C. You are responsible for presenting your engine to the nearest KUBOTA dealer when a problem exists (unless agreed, or as required by law). The warranty repairs shall be completed in a reasonable amount of time, not to exceed 30 days.
- D. If you have any questions regarding your warranty rights and responsibilities, you should contact:

KUBOTA TRACTOR CORPORATION
National Service Department at 1-800-558-2682
KubotaEmissionsWarranty@kubota.com

DEFECTS WARRANTY COVERAGE

The emissions warranty period for the engine begins on the date the engine or equipment is delivered to an initial purchaser. KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine shall be:

- I. Designed, built and equipped so as to conform with all applicable regulations adopted by the Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code.
- II. Free from defects in materials and workmanship that cause the failure of a warranted part for a period of two years.

The warranty on emissions-related parts will be interpreted as follows:

1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the warranty period as defined above in (II). If any such part fails during the period of warranty coverage, it must be repaired or replaced by the engine manufacturer according to Subsection (4) below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.
2. Any warranted part that is scheduled only for regular inspection in the written instructions specified below must be warranted for the warranty period defined as above in (II). A statement in such written instructions to the effect of "repair or replace as necessary" shall advise owners of the warranty coverage for all evaporative emissions related parts. Replacement within the warranty period is covered by the warranty and will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.
3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
4. Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at warranty station.
5. Notwithstanding the provisions of Subsection (4) above, warranty services or repairs must be provided at all KUBOTA dealerships that are authorized to service the subject engines.
6. The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.

7. KUBOTA is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.
8. Throughout the engine's warranty period defined as above in (II), KUBOTA must maintain a supply of warranted parts sufficient to meet the expected demand for such parts and must obtain additional parts if the supply is exhausted.
9. Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of KUBOTA.
10. Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. The KUBOTA will not be liable under this article to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

PARTS LIST

KUBOTA must include a copy of the following emission warranty parts list with each new engine. Listed below are the parts covered by the Federal and California Emission Control Systems Warranty.

1) Fuel Metering System

- a) Fuel injection system
- b) Air/fuel ratio feedback and control system
- c) Carburetor system (internal parts and/or pressure regulator or fuel mixer or injection system)

2) Air Induction System

- a) Intake manifold or air intake system
- b) Air mass sensor assembly
- c) Air cleaner element*

3) Catalyst or Thermal Reactor System

- a) Catalytic converter
- b) Thermal reactor
- c) Exhaust manifold

4) Positive Crankcase Ventilation (PCV) System

- a) PCV Valve
- b) Oil Filler Cap

5) Ignition Control System

- a) Engine Control Module (ECM)
- b) Ignition module(s)

6) Miscellaneous Items Used in Above Systems

- a) Vacuum, temperature, and time sensitive valves and switches
- b) Sensors used for electronic controls
- c) Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
- d) Pulleys, belts and idlers

7) Evaporative System

- a) Fuel tank
- b) Fuel cap
- c) Fuel line
- d) Fuel line fittings
- e) Clamps (if equipped)
- f) Pressure relief valves (if equipped)
- g) Control valves (if equipped)
- h) Control solenoids (if equipped)
- i) Electronic controls (if equipped)
- j) Vacuum control diaphragms (if equipped)
- k) Control cables (if equipped)
- l) Control linkages (if equipped)
- m) Purge valves (if equipped)
- n) Vapor hoses (if equipped)
- o) Liquid / Vapor separator (if equipped)
- p) Canister (if equipped)
- q) Canister mounting bracket (if equipped)
- r) Carburetor purge port bracket (if equipped)
- s) Fuel pressure Manifold (if equipped)
- t) Fuel pressure Regulator (if equipped)

*Warranty period is equivalent to manufacturer's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual.

Kubota Tractor Corporation

Federal & California Emission Control Systems

Limited Warranty for Small Off-Road Engines (SORE)

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Corporation are pleased to explain the Federal and California Emission Control System Warranty on your 2025 Model Year Small Off-Road engine. In California, new Small Off-Road engines must be designed, built and equipped to meet the California's stringent anti-smog standards. In other states, 1997 and later model year SI engines must be designed, built and equipped, to meet the U.S. EPA regulations for Small Off-Road engines. KUBOTA must warrant the emission control system on your Small Off-Road engine for the period of time listed below provided there has been no abuse, neglect or improper maintenance to your equipment leading to the failure of the emission control system. This emission warranty is applicable in all states of the U.S.A.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE

For emissions-related parts, the 2025 model year small off-road engines are warranted for the following periods:

Kawasaki, Kohler: 3 years

Briggs & Stratton, Kubota: 2 years

For evaporative emission related parts (see list below), the 2025 small off-road engines are warranted for the following periods:

Kawasaki, Kohler: 3 years

Briggs & Stratton, Kubota: 2 Years

If any emission related part on your small off-road engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

OWNER'S WARRANTY RESPONSIBILITIES

- A. As the small off-road engine owner, you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all

- receipts covering maintenance on your engine, but KUBOTA cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.
- B. As the small off-road engine owner, you should be aware, however, that KUBOTA may deny your warranty coverage if your engine or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.
 - C. Your engine is designed to operate on fuel as specified in the operator's manual. Use of any other fuel may result in your engine no longer operating in compliance with Federal or California's emissions requirements.
 - D. You are responsible for presenting your engine to the nearest KUBOTA dealer when a problem exists (unless agreed, or as required by law). The warranty repairs shall be completed in a reasonable amount of time, not to exceed 30 days.
 - E. If you have any questions regarding your warranty rights and responsibilities, you should contact:

KUBOTA TRACTOR CORPORATION
National Service Department at 1-800-558-2682
KubotaEmissionsWarranty@kubota.com

DEFECTS WARRANTY COVERAGE

The emissions warranty period for the engine begins on the date the engine or equipment is delivered to an initial purchaser. KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine shall be:

- I. Designed, built and equipped so as to conform with all applicable regulations adopted by the Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code.
- II. Free from defects in materials and workmanship that cause the failure of a warranted part for a period of two years.

The warranty on emissions related parts will be interpreted as follows:

- 1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the warranty period as defined above in (II). If any such part fails during the period of warranty coverage, it must be repaired or replaced by the engine manufacturer according to Subsection (4) below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.
- 2. Any warranted part that is scheduled only for regular inspection in the written instructions specified below must be warranted for the warranty period defined as above in (II). A statement in such written instructions to the effect of "repair or replace as necessary" shall advise owners of the warranty coverage for the evaporative emissions related parts. Replacement within the warranty period is covered by the warranty and will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.
- 3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired

or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.

4. Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at a KUBOTA dealership.
5. Notwithstanding the provisions of Subsection above, warranty services or repairs must be provided at KUBOTA dealerships that are authorized to service the subject engines.
6. The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a KUBOTA dealership.
7. The KUBOTA is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.
8. Throughout the engine's warranty period defined as above in (II), the KUBOTA must maintain a supply of warranted parts sufficient to meet the expected demand for such parts and must obtain additional parts if that supply is exhausted.
9. Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of the KUBOTA.
10. Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. KUBOTA will not be liable under this article to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

EMISSION-RELATED PARTS LIST

KUBOTA must include a copy of the following emission warranty parts list with each new engine. Listed below are the parts covered by the Federal and California Emission Control Systems Warranty. Some parts listed below may require scheduled maintenance and are warranted up to the first scheduled replacement point for that part. The warranted parts are (if applicable):

For Exhaust emission, emission-related components include any engine parts related to the following systems:

1) Fuel Metering System

- a) Fuel injection system
- b) Air/fuel ratio feedback and control system
- c) Carburetor system (internal parts and/or pressure regulator or fuel mixer or injection system)

2) Air Induction System

- a) Intake manifold or air intake system
- b) Air mass sensor assembly
- c) Air cleaner element*

3) Catalyst or Thermal Reactor System

- a) Catalytic converter
- b) Thermal reactor
- c) Exhaust manifold

4) Positive Crankcase Ventilation (PCV) System

- a) PCV Valve
- b) Oil Filler Cap

5) Ignition Control System

- a) Engine Control Module (ECM)
- b) Ignition module(s)

6) Miscellaneous Items Used in Above Systems

- a) Vacuum, temperature, and time sensitive valves and switches
- b) Sensors used for electronic controls
- c) Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
- d) Pulleys, belts and idlers

7) Evaporative System

- a) Fuel tank
- b) Fuel cap
- c) Fuel line s (for liquid fuel and fuel vapors)
- d) Fuel line fittings
- e) Clamps (if equipped)
- f) Pressure relief valves (if equipped)
- g) Control valves (if equipped)
- h) Control solenoids (if equipped)
- i) Electronic controls (if equipped)
- j) Vacuum control diaphragms (if equipped)
- k) Control cables (if equipped)
- l) Control linkages (if equipped)
- m) Purge valves (if equipped)
- n) Gaskets (as they relate to the evaporative emission control system)
- o) Liquid / Vapor separator (if equipped)
- p) Canister (if equipped)
- q) Canister mounting bracket (if equipped)
- r) Carburetor purge port bracket (if equipped)
- s) Fuel pressure Manifold (if equipped)
- t) Fuel pressure Regulator (if equipped)
- u) Fuel drain valve (if equipped)

*Warranty period is equivalent to manufacturer's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual.

KUBOTA TRACTOR CORPORATION FEDERAL AND CALIFORNIA EMISSION CONTROL SYSTEMS WARRANTY STATEMENT LIMITED WARRANTY FOR OFF-ROAD VEHICLES

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Corporation are pleased to explain the Federal and California Emission Control System Warranty on your 2025 model year off-highway recreational vehicles. Off-highway recreational vehicles produced in 2025 model year must be designed, built and equipped to conform at the time of sale to the ultimate purchaser with all applicable laws, rules and regulations of the U.S. Environmental Protection Agency (EPA) in 40 CFR sections 1051 et seq. and California Air Resources Board (CARB) in 13 CCR sections 2400 et seq.. KUBOTA must warrant the emission control system on off-highway recreational vehicles for the periods of time listed below provided there has been no abuse, neglect, improper maintenance, or unapproved modification to your vehicle. This emission warranty is applicable in all states of the U.S.A and all provinces and territories of CANADA.

Your exhaust and evaporative emission control system may include parts such as an ECM, the fuel injection system, the ignition system, catalytic converter, fuel tanks, fuel lines or hoses, fuel caps, valves, canisters, filters, hoses, clamps, connectors and other associated components. Also included may be belts and other emission-related assemblies.

Where an emission warrantable condition exists, KUBOTA will repair your off-highway recreational vehicle or emission-related component at no cost to you, including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE

You will not be charged for diagnosis, repair, replacement, or adjustment of parts containing an emission-related defect during the applicable warranty period. The applicable warranty periods are as follows:

1. The exhaust emissions defect warranty period for both Federal and California 2025 model year vehicles is 5,000 km (~3,000 miles), or 500 hours of engine operation, or 30 months, whichever comes first (see "PARTS LIST" below);
2. The evaporative emissions defect warranty period for Federal 2025 model year vehicles is two (2) years;
3. The evaporative emissions defect warranty periods for California 2025 model year vehicles are:
 - a) emission-related parts: 2,500 miles (~4,000 km), or 250 hours of engine operation, or 30 months or whichever comes first;
 - b) "high-priced" emission-related parts: 5,000 miles (~8,000 km), or 500 hours of engine operation, or 60 months, whichever comes first.

Please refer to the following “PARTS LIST” for a complete list of emission-related parts covered by these warranties.

OWNER'S WARRANTY RESPONSIBILITIES

1. As the off-highway recreational vehicle owner you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all receipts covering maintenance on your vehicle, but KUBOTA cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of a scheduled maintenance.

2. As the vehicle owner, you should also be aware that KUBOTA may deny your warranty coverage if your off-highway recreational vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

3. Your off-highway recreational vehicle is designed to operate on fuel as specified in the operator's manual. Use of any other fuel may result in your engine no longer operating in compliance with Federal or California's emissions requirements.

4. You are responsible for presenting your vehicle to a KUBOTA Dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

5. If you have any questions regarding your warranty rights and responsibilities, you should contact one of the following:

- KUBOTA TRACTOR CORPORATION, National Service Department by phone at 1-888-458-2682, or at KubotaEmissionsWarranty@kubota.com
 - U.S. Environmental Protection Agency (EPA), 2000 Traverwood Drive, Ann Arbor, MI 48105.
 - California Air Resources Board (CARB), 9528 Telstar Avenue, EL Monte, CA 91731

DEFECT WARRANTY COVERAGE

The emissions warranty period for the vehicle begins on the date the vehicle is delivered to the ultimate purchaser. KUBOTA warrants to the ultimate purchaser and each subsequent purchaser that your vehicle shall be:

- a) Designed, built and equipped to conform, at the time of sale, with all applicable laws, rules and regulations; and
- b) Free from defects in materials and workmanship that may cause the failure of a warranted part. All replacement parts must be identical in all material respects to that part as described in the off-highway recreational vehicle manufacturer's Executive Order of Certification application.

The warranty on emission-related parts will be interpreted as follows:

1. Any warranted part that is not scheduled for replacement as part of maintenance in the written instructions furnished with the new vehicle must be warranted for the warranty period as defined above the section entitled Manufacturer's Warranty Coverage. If any such part fails during the period of warranty coverage, it must be repaired or replaced by KUBOTA according to subsection 4 below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.
2. Any warranted part that is scheduled only for regular inspection in the written instructions furnished with the new vehicle must be warranted for the warranty period defined as above in the section entitled Manufacturer's Warranty Coverage. A statement in such written instructions to the effect of "repair or replace as necessary" will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.
3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions furnished with the new vehicle must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by the manufacturer according to subsection 4 below. Any such part repaired or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
4. Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the off-highway recreational vehicle owner at a KUBOTA dealership, except in the case of a temporary repair when a warranted part or a KUBOTA dealership is not reasonably available to the vehicle owner. In the event a temporary repair is permitted according to section 8 below, repairs may be performed at any available service establishment, or by the owner, using any replacement part. The manufacturer must reimburse the owner for his or her expenses including diagnostic charges for such temporary repair or replacement, not to exceed KUBOTA's suggested retail price for all warranted parts replaced and labor charges based on KUBOTA's recommended time allowance for the warranty repair and the geographically appropriate hourly rate.
5. Notwithstanding the provisions of subsection 4 above, all warranty services or repairs must be provided at a KUBOTA dealership.
6. The off-highway recreational vehicle owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided such diagnostic work is performed at a warranty station.
7. KUBOTA is liable for damages to other components proximately caused by a failure under warranty of any warranted part.
8. Throughout the warranty period defined as above in the section entitled Manufacturer's Warranty Coverage, KUBOTA must maintain a supply of warranted parts sufficient to meet the expected demand for such parts. The lack of availability of such parts or the incompleteness of repairs within a reasonable

time period, not to exceed 30 days from the time the vehicle is initially presented to the warranty station for repair, will qualify the need for a temporary repair for purposes of section 4 above.

9. Any replacement part designated by KUBOTA may be used in the warranty repairs provided without charge to the off-highway recreational vehicle owner. Such use will not reduce the warranty obligations of KUBOTA, except that KUBOTA will not be liable under the statutory Article for repair or replacement of any replacement part which is not a warranted part (except as provided under section 7 above).

10. Any add-on or modified part exempted by the Air Resources Board from the provisions of section 27156 of the California Vehicle Code may be used on an off-highway recreational vehicle. Such use, in and of itself, will not be grounds for disallowing a warranty claim made under the provisions of this Article. KUBOTA is not liable under the provisions of this Article to warrant failures of warranted parts caused by the use of an add-on or modified part(s) unless such part(s) are also warranted.

PARTS LIST

- 1) Listed below are the exhaust emission-related parts covered by Federal and California Emission Control Systems Warranties: 5,000 km (~3,000 miles), or 500 hours of engine operation, or 30 months, whichever comes first:
 - a) Fuel metering system
 - Fuel injection system
 - Air/fuel ratio of feedback and control system
 - b) Air induction system
 - Intake manifold or air intake system
 - Air mass sensor assembly
 - Air cleaner element
 - c) Catalyst thermal reactor system
 - Three-way catalytic converter
 - Thermal reactor
 - Exhaust manifold
 - d) Positive crankcase ventilation (PCV) system
 - PCV valve
 - Oil filler cap
 - e) Ignition control system
 - Engine control module (ECM)
 - Ignition module(s)
 - f) Miscellaneous items used in above systems
 - Vacuum, temperature, and time sensitive valves and switches.
 - Sensors used for electronic controls.
 - Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware.

- Pulleys, belts and idlers.
- 2) Listed below are the evaporative emission-related parts covered by Federal and California Emission Control Systems Warranties. If any evaporative emission-related part on your off-highway recreational vehicles is defective, the part will be repaired or replaced by Kubota Corporation:
- a) Evaporative emission-related parts: For Federal models outside of California-two (2) years; for California models in California -30 months, 2,500 miles (~4,000 km), or 250 hours of operation, whichever comes first.
- Fuel tank (Federal warranty applies)
 - Fuel cap
 - Fuel line
 - Fuel line fittings
 - Fuel couplers
 - Clamps
 - Vapor hoses
 - Control (2-way) valve
 - Purge valve (RTV-XG850 EVAP Model offered in California)
 - Canister bracket (RTV-XG850 EVAP Model offered in California)
- b) “high-priced” evaporative emission-related parts: California models in California - 60 months, 5000 miles (~8,000 km), or 500 hours of engine operation, whichever comes first.
- Fuel tank
 - Carbon canister
 - Engine control module (ECM)
